UPDATED CURRICULUM

IELTS

The International English Language Testing System (IELTS) measures the language proficiency of people who want to study or work where English is used as a language of communication. It uses a nine–band scale to clearly identify levels of proficiency, from non–user (band score 1) through to expert (band score 9).

IELTS Academic Or General Training

IELTS is available in two test formats :

Academic – for people applying for higher education or professional registration.

General Training – for those who are migrating to Australia, Canada and the UK, or applying for secondary education, training, programmes and work experience in an English speaking environment.

Both formats provide a valid and accurate assessment of the four language skills : Listening, Reading, Writing and Speaking.

WHY NEED IELTS

IELTS FOR STUDY :

Thousands of education and training providers, world over, rely on IELTS to select their students. Institutions in North–America, Great Britain, Australia, New Zealand, Malaysia and other Common Wealth countries prefer IELTS as a test of English language proficiency.

IELTS FOR MIGRATION :

IELTS is accepted for migration to Australia, Canada, New Zealand and the United Kingdom.

IELTS FOR WORK :

Many professional registration bodies and employers rely on IELTS as evidence of English language proficiency.

HUNDREDS OF LIVES HAVE CHANGED FOR THE BETTER DUE TO PIE'S EFFORTS IN HELPING INDIVIDUALS TO BECOME THE BEST AT ALL THAT THEY ARE CAPABLE OF!

OUR SUCCESS-THEIR STORIES

I had heard tons about PIE from my school mates who prepared for SAT, IELTS & TOEFL at PIE. I was applying to Australia and time was very short. Within a short time into my IELTS classes, I realized I had taken the right decision enrolling in PIE. The lessons were fun and exciting and not at all monotonous. I am grateful to PIE & its instructors for helping me achieve this score.

 IELTS Score : 8

I heard about PIE from my friends who informed me that PIE is a reputed institute offering IELTS course in batches and also individually at a student's own convenient time. PIE helped me greatly for my IELTS preparation. Frequent classes were taken on listening and reading modules where I faced most difficulty in. Concentrating on my weakness helped me in achieving my desired score in IELTS.
