## PIE

Founded in 2005, PIE (Previously known as Princeton International Education) is a Pearson Vue authorized testing centre, an Authorized Education Partner of GED Testing Service and is also authorized IDP Education Bangladesh Private Ltd.

### PIE's SERVICES

We offer a complete range of services from assisting students to choosing the right foreign institutes to ensuring that the highest possible scores are earned by test-takers of:

**IELTS TOEFL SAT GED GRE GMAT**

## IELTS

The International English Language Testing System (IELTS) measures the language proficiency of people who want to study or work where English is used as a language of communication. It uses a nine-band scale to clearly identify levels of proficiency, from non-user (band score 1) through to expert (band score 9).

### YOU SHOULD TAKE IELTS FOR:

#### HIGHER STUDIES & TRAINING

Thousands of education and training providers, world over, rely on IELTS to select their students. Institutions in North-America, Great Britain, Australia, New Zealand, Malaysia and other Common Wealth countries prefer IELTS as a test of English language proficiency.

#### MIGRATION

IELTS is accepted for migration to Australia, Canada, New Zealand and the United Kingdom.

#### EMPLOYMENT

Many professional registration bodies and employers rely on IELTS as evidence of English language proficiency.

## Academic Or General Training

IELTS is available in two test formats:

**Academic** – for people applying for higher education or professional registration.

**General Training** – for those who are migrating to Australia, Canada and the UK, or applying for secondary education, training, programmes and work experience in an English speaking environment.

Both formats provide a valid and accurate assessment of the four language skills : **Listening, Reading, Writing and Speaking.**

## WHY SHOULD YOU STUDY AT PIE?

- Briefing on Writing, Reading, Listening and Speaking Modules.
- Updated test preparation materials synchronized with recent tests and changes in curriculum.

## Average score in PIE: 7.5

HUNDREDS OF LIVES HAVE CHANGED FOR THE BETTER DUE TO PIE'S EFFORTS IN HELPING INDIVIDUALS TO BECOME THE BEST AT ALL THAT THEY ARE CAPABLE OF!

## OUR SUCCESS-THEIR STORIES

The journey to college is a huge task. At every stage, one faces difficulties that are not easy to handle alone. That's where PIE comes in. There is no doubt about the institution's amazing capabilities to nurture and bring out a student's true potential. I believe that it is for their outstanding support that I have been able to ace my IELTS and SAT Subjects. I would like to thank the admin as well as the hard-working teachers for laying the foundation of the road to college for me. It has been an honour to be a student of PIE!

**Tausiful Islam**  
IELTS Score: 8

I heard about PIE from my friends who informed me that PIE is a reputed institute offering IELTS course in batches and also individually at a student's own convenient time. PIE helped me greatly for my IELTS preparation. Frequent classes were taken on listening and reading modules where I faced most difficulty in. Concentrating on my weakness helped me in achieving my desired score in IELTS.

**Bakhtiar Mujahid Nur**  
IELTS Score: 8

- IELTS Fees:**
